## Ballet Center of Fort Worth presents the 2020 Spring Recital

### A Message from the Artistic Director

Dear Parents and Students,

Thank you for a great year of dance! We are very proud of the presentation of this year's Spring Recital. It has been a challenging year for all of us, and we are proud that we were able to continue offering the quality training for our students. Just a few numbers, in order to keep everyone safe Ballet Center consumed about 15 gallons of disinfecting solutions, about 2400 gallons of water, and 1900 disinfecting wipes!

Our dance program strives to prepare our students with the most professional training, and as we are improving our classes every year, you might see some changes for the new Fall Semester. **Join us for an OPEN HOUSE and a small outdoor celebration on May 29 from noon-2pm for registrations!**

We also would like to remind you that Ballet Center Summer Workshops and Intensives are coming up: June 21– July 24. Classes are offered for ages 3 and up in ballet, pointe, classical repertoire, modern, jazz, and more.

Finally, I would like to congratulate all of the teachers at Ballet Center of Fort Worth for an outstanding year!
